

SCOUT FEST CHALLENGE

How many of these challenges can you complete during Scout Fest?

1. Build a shelter/den – ideally outside if you have a garden that you can safely access, but if not then why not be creative indoors.
2. Learn a new campfire song and take part in our campfire on Saturday evening.
3. Spend a night pretending to be at camp and sleep somewhere unusual but safe that is not a proper bed e.g. in a tent in your garden, or maybe in your shelter, pillow fort etc.
4. Learn to tie a reef knot

5. Design your own Scout Fest badge
6. Set a trail either in your garden or around the house, how will you show people where to go?
7. Help to wash-up after dinner
8. Play a game with your family
9. Read a bedtime story to a grown up (and maybe they would read one too?)
10. Create a map of your ideal 'campsite'

Why not get your family members to join in with you and see what different ideas you come up with?
