

SCOUT FEST CHALLENGE

How many of these challenges can you complete during Scout Fest?

1. Build a shelter/den – ideally outside if you have a garden that you can safely access, but if not then why not be creative indoors.
2. Learn a new campfire song and take part in our campfire on Saturday evening.
3. Spend a night pretending to be at camp and sleep somewhere unusual but safe that is not a proper bed e.g. in a tent in your garden, or maybe in your shelter, pillow fort etc.
4. Learn to tie a reef knot
