

SCOUT FEST CHALLENGE

SCOUTS

How many of these challenges can you complete over Scout Fest?

1. Build a shelter/den – ideally outside if you have a garden that you can safely access, but if not then why not be creative indoors.
2. Learn a new campfire song and take part in our campfire on Saturday evening.
3. Spend a night in your shelter, den or tent. You cannot sleep in a proper bed, but you can use a camp bed, roll mat etc. and your pillows, duvet etc.
4. Learn to tie a friendship knot and teach a friend or family member the knot also <https://www.pinterest.com/pin/227150374944158975>
5. Design your own Scout Fest badge
6. Set a tracking trail either in your garden or around the house, how will you show people where to go?
7. Help to cook a meal over the weekend and wash-up after dinner
8. Bake and ice some biscuits or cup cakes
9. Make a camp supper using only 3 ingredients
10. Invent something to help someone who is working at home
11. Take part in a litter pick in your local area
12. Film yourself packing your rucksack or bag for camp and explain what you would take
13. Create a map of your ideal 'campsite'
14. Play a game with your family
15. Read a bedtime story to a grown up (and maybe they would read one too?)
16. Build a bridge or tower using pioneering techniques. You will have to get creative when selecting your materials (think pens, pencils, skewers, cocktail sticks, sticks from the garden, blu-tack, mini marshmallows, jellybeans...)
17. Make something useful from plastic that you would otherwise throw away

DISCLAIMER: Participation in any activity that takes place at home recommended and encouraged by South Yorkshire Scouts or any District or Group that are part of South Yorkshire Scouts are totally under the control, safety and permission of the parent or carers of each young person.

SCOUT FEST CHALLENGE

SCOUTS

18. Make a bird feeder
